

Google Open Source Peer Bonus

December 18, 2019

Dear Yang Luo,

On behalf of Google Open Source, I would like to thank you for your contribution to `casbin`; `npcap`; `nmap`.

We are honored to present you with a Google Open Source Peer Bonus. Inside the company, Googlers can give a similar bonus to each other for going above and beyond, so this is just a small way of saying thank you for your hard work and contributions to open source.

We hope you enjoy this gift from all of us at Google and Zhongyi Tong who nominated you.

Thank you again for supporting open source! We look forward to your continued contributions.

Best regards,
